

Hello Everyone,

It looks like Spring in Saskatoon will be arriving this weekend if the weather forecast is correct. Let's hope we can bring out the BBQ, patio furniture and more importantly set up the tennis nets very soon. All tennis leagues and lessons will begin the week of May 3rd. Monday will have Open Doubles, Tuesday Men's High Performance Doubles and Thursday Mixed Doubles. We would also like to acknowledge "Cherry Insurance" as a new sponsor for our Monday evening league.

All badminton leagues will conclude the week of April 26th with the Wednesday evening Summer Badminton Doubles league beginning play on May 5th.

Membership fees have been set for the 2010 - 2011 year with an added twist to the previous concept. Included with your membership fee this year will be a voucher able to be used in our Canteen, Lounge or Pro Shop. We also are offering an "Early Bird" renewal available from April 1st - 17th. If you renew during this period we will add an additional \$25 voucher to what you are entitled to now. The amount of the voucher and fee structure is on our website www.saskatoonriverside.com Our site also offers online registration forms for tennis lessons, an upcoming events list and plenty of other items of interest. All the information about Riverside is only a click away so we encourage you and

others to visit our site. With vouchers being introduced to the fee structure what would be a better time to have a "Spring Sale" on all Badminton racquets and shoes. Prices on these items will be reduced 15% until the end of April so drop in to get the best selection. This sale does not include items needing to be ordered.

The RBTC Annual General Meeting will be on Friday April 30th at 8:00. We will be having a Badminton Mixer prior to the meeting starting at 6:00. After the meeting we will provide lunch as an appreciation of you taking the time to spend the day with the Board of Directors and other club members. This meeting is important in regards to members having an opportunity to present ideas and offer feedback to the Board of Directors. It also is an overview of what transpired in the previous year and also plans for the upcoming year. If you may be interested in joining the Board of Directors or would like more information please let us know and we will reply to you promptly.

Our "Tennis Open House" will be from April 24th - May 2nd. During this time there will be free tennis, displays, plenty of food and numerous door prizes including a racquet with a session of lessons. On Saturday May 1st we will focus our attention towards the youth with representatives from both Tennis Saskatchewan and Tennis Canada in attendance. There will also be free hot dogs and burgers. Drop in and bring a friend to see the benefits Riverside has to offer.
